RESPONSE TO 37 CFR 1.121 NOTICE OF NON-COMPLIANT AMENDMENT FILED UNDER 37 CFR 1.111

Sir:

This paper is filed in response to the Notice of Non-Compliant Amendment (37 CFR 1.121) mailed October 26, 2007. As understood from that Notice, the Legal Instruments Examiner, Mamy Wagstaff, made a determination that the amendment to the drawings submitted as an attachment to the paper filed under 37 C.F.R. 1.111 on October 19, 2007, was deemed non-compliant because "Explanation of amendment to drawing is missing." Applicants submit that a full and satisfactory explanation was provided in the very first paragraph of the REMARKS section of the response filed on 19 October 2007 accompanying that drawing amendment. See page 7, paragraph one of that previous paper.
